About Private Directors Association®

Who We Are

The Private Directors Association® (PDA) is an independent 501(c)(6) founded in 2014 and headquartered in Chicago, IL. PDA is the only national association dedicated to improving private companies' growth and sustainability through governance that adds value.

Our close to 3,000 members include current and qualified future board members, private company owners, and C-level executives of family-owned businesses, ESOPs, private equity owned, early stage, and start-up organizations.

Our members engage across our more than 20 chapters nationwide (and growing) to promote the mission of enhancing corporate value through high-performing boards.

Our Mission

- **Advocate** for and teach board formation and governance
- **Enhance** private company value through high-performing boards
- **Advocate** for the value of diverse and inclusive boards
- **Create** a national alliance of directors, executives, and private company owners interested in board service to learn, network, identify, and attract exceptional board members

Our Success Story...and It Just Keeps Going!

In the first three quarters of 2021 PDA hosted nearly 75% more virtual events/webinars than in all of 2020.

- PDA is enjoying significant growth:
- **Membership** has increased over 60% since mid-year 2020
- PDA continues to add 125+ new members per month
- **We have 22 chapters** nationwide, with more in development.

Sponsor Value Proposition

Influence and Networking

A PDA sponsorship provides a variety of opportunities to promote your organization's brand to the PDA member and prospective member audience. Options include:

- Providing your organization's specific thought leadership for use at chapter programs and on the PDA national website.
- Having a voice in chapter program development.
- Recommending program panelists and moderators.
- Brand visibility opportunities.

Sponsor Thought Leadership And Peer-to-Peer Events

You may have an opportunity to sponsor and host invitation-only roundtables co-branded with PDA. These events focus on specific and current issues related to private company corporate governance and provide an opportunity for sponsors to share their thought leadership.

PDA Sponsor Excellence

Through your PDA sponsorship, peer-to-peer opportunities, and other brand visibility opportunities, PDA will provide the resources, tools, and education to engage in private company governance excellence while expanding your community network and building relationships that add value for your business.

Success Through Engagement And Alignment

Engaged sponsors inspire the chapter volunteer leadership and the members affiliated with the chapter to new levels of growth through superior director programming, sharing intellectual capital, and promoting the value of good governance. This alignment promotes the PDA mission of enhancing corporate value through high-performing boards.
