About Private Directors Association

Our mission is to **drive private company success** through the **creation and optimization of governance boards**, comprised of **qualified and diverse members**. Our sole focus is on the unique governance needs of private companies throughout the lifecycle of their businesses. Good governance drives private company growth which in turn helps build strong communities and economies.

Organizational Membership is designed for business schools (MBA students, faculty, staff, and family business centers), alumni networks, executive search and career advisory firms, private equity portfolio companies, ESOPs for employee-owned companies, and other relevant nonprofit associations.

The 3,400+ members of PDA support our mission of advocating for and teaching board formation and governance, enhancing private company value through high-performing boards, supporting the value of diverse and inclusive boards, and creating a national alliance of directors, executives, and private company owners interested in board service to learn, to network, and to identify and attract exceptional board members.

Two Organizational Membership Tiers, starting at \$2,700

\$2,700 for up to six members, or \$4,400 for up to 10. Additional members are \$420 per person. Price subject to change.
